By my signature hereon, I certify that I understand that if this sign is approved for repair, it must be restored to the exact configuration and specifications of its original condition prior to the damage. This includes the same height above ground level, size of face, number of poles, types of materials, etc.

I further certify that I have existing property rights in this sign. And I certify that the materials and cost itemized herein, are true and correct, and I understand and agree that any misrepresentation or failure to show all parts requiring replacement to restore the sign to its original condition will be grounds for disapproval of this request and the subsequent removal of this structure.
